

Sport Premium Statement Review 2016 - 2017

Initiative	Pupils in receipt of PE funding by Year Group	Cost	Impact Measure	Results
Annual subscription to Durham and Chester-Le-Street Partnership	All Year Groups	£1,830.00	Competitive Sporting Opportunities Participation Levels Quality of Teaching Diverse sports-participation levels/Leadership skills	<p>As a partner of the programme, pupils have been able to compete in a range of level 2 games alongside other local primary schools. 100% attendance at organised sporting competitions. 100% attendance at festivals.</p> <p>Since September 2013, there has been an increase in KS2 pupils participating in extra- curricular sporting opportunities due to highly trained and qualified coaching staff delivering Athletics, Tennis and Rugby after school.</p> <p>The school has engaged fully with the partnership to upskill staff and other adults supporting learning by attending PE and Sport CPD organised by the partnership.</p> <p>All teachers have worked alongside qualified coaches during PE lessons to develop their quality of teaching in Judo, Athletics, Gymnastics, Rugby, Dance etc.</p> <p>The Partnership has provided Able Gifted and Talented children in PE to access county multi skill academies.</p>
Buy into the services of external coaching providers.	All Year Groups	£6,142.50	Staff CPD Pupil Engagement and ability in sport Breakfast Club Attendance	<p>Staff and children have been subject to high quality coaching that can be used in future years.</p> <p>Craig's Coaches sessions have been devised to teach the children the necessary skills to participate in a range of activities. It has been adapted to suit each year group ability and experience. It has allowed the children the opportunity to learn and develop new skills, which they then have applied in their independent play and during any additional sport clubs. Their skills have been applied in a wide range of activities.</p> <p>Over 100 children are attending the Breakfast Club throughout a week. Children state that they enjoy being part of the BC and taking part in the activities which are led by the sports coach. Parents are very keen for this service to continue as not only do the children get their breakfast and are supervised, but they are also actively engaged in a positive start to their day.</p>
Purchase new equipment.	All Year Groups	£558.17	High Quality resources accessible	Equipment purchased and staff, children and external coaches have all items needed to teach all areas of the foundation stage PE program.

Educating children on nutrition and healthy lifestyles	All Year Groups	£174.75	Staff and children have more resources to achieve objectives regarding healthy lifestyles.	Children have a greater understanding of how to live healthy lifestyles. They are aware of food groups and what a balanced diet consists of.
Sports leaders	All Year groups	£150.00	Pupil Engagement in leading sporting activities.	Year 5 children are now trained in leading sport sessions in break times.
